

CURRENT STATUS OF MAJOR ROADS NETWORK IN AJ&K

DATED: 30-04-2024

The Torrential rains that have been going on for the past three days have stopped in different districts since last evening. There have been reports of severe damage to the roads network due to the recent heavy rains and unexpected heavy snowfall on the mountains. The staff of Highways Department along with Machinery Roads are continuously engaged in the rehabilitation works. The weather is pleasant today, the rehabilitation of major roads will be carried out in the first phase on a priority basis. The rehabilitation of link roads will be done in the second phase. Instructions have been issued to all divisions to immediately restore all closed roads. Below is the latest status of Major Roads of AJ&K.
